## FOR IMMEDIATE RELEASE

The College of West Africa Global Alumni Association Announces the Establishment of the Global Endowment Fund.

We, the Board of Directors of the College of West Africa Global Alumni Association (“CWAGAA”), are excited to announce the establishment of the CWAGAA Endowment Fund. CWAGAA members, your generous support and dedication to fulfill the mission of CWAGAA as a resource and catalyst for the restructuring and development of secondary education at the College of West Africa (“CWA”) made this major accomplishment possible, THANK YOU!

The purpose of the CWAGAA Endowment Fund (“Global Endowment”) is aligned with our mission and is to provide long term support to the mission of CWA, including for the provision of educational needs, support for programs and activities, financial assistance for faculty salaries, scholarships, and general school operations. CWAGAA members, fellow alumni, and friends may make contributions such as, but not limited to, cash and its equivalent, stocks, bonds, mutual funds, or via a bequest in a will, trust or other estate plan giving, retirement plans, and as a beneficiary of a life insurance to the Global Endowment. Additional information about how to give to the Global Endowment is forthcoming.

We intend to raise one million dollars (\$1,000,000.00 US) prior to 2030 and know with your commitment to CWA and CWAGAA, we will far exceed this amount. After all, FOXES NEVER FAIL!

Again, thank you CWAGAA, you did this! Your commitment to CWA and providing excellent education to Liberia’s future and global leaders is unmatched. You have truly embodied the words of our founder, Missionary Melville B. Cox: “Though a thousand may fall, let not Africa be given up”.

Happy New Year! We wish you and your family a Safe, Healthy, and Prosperous 2025.

Grateful,  
VCP  
Verlyn Chesson Porte  
Chair, CWAGAA Board of Directors
