

Enid is a retired Registered Nurse and Attorney-at-Law. A proud product of the Class of '75 of College of West Africa, Cuttington University College, Louis Arthur Grimes School of Law (University of Liberia) and Howard University. She is the second Liberian Nurse to become a Lawyer, the first being the late Counsellor Sarah Gibson (sister of Counsellor Julia Gibson). After graduation from the Louis Arthur Grimes School of Law (University of Liberia), Enid worked at the Gibson & Gibson Law Firm under the guidance of the late Counsellor Julia Gibson and was elected as treasurer of the Liberian Bar Association, a position she held very briefly prior to migrating to the United States. Her nursing career spanned 39 years beginning with the Ministry of Health in Liberia as Assistant Director of the CCCD project which was sponsored by WHO, USAID & UNICEF. In the United States, she worked with the District of Columbia Government at the DC General Hospital in the NICU, Georgetown University Hospital NICU and Kaiser Permanente as Patient Care Coordinator, a position she held until her retirement from Kaiser. As a side kick, Enid enjoyed working as an Event/Wedding Planner and also as a Certified Legal Nurse Consultant. Currently, her passion is serving on the Vestry in her local Episcopal Church and spending time with her daughter and son-in-law and enjoying her 3 grandchildren.
